

SOUTH FULTON STUDIOS

COMPETITION TEAM

Are you ready to take your dancing to the next level?

South Fulton Studios Competition Team is a wonderful opportunity to allow dancers a chance to perform on multiple stages, and receive a variety of feedback from adjudicators to enhance their dancing. While South Fulton Studios competitive teams are designed for dancers who are looking to take their talents to the next level in a more serious environment, these teams also offer a unique and valuable bonding experience.

Our dance team is widely known for winning many prestigious awards, as well as consistently placing in the top 10. We have a variety of teams in all ages and styles. To be a part of this award winning team, you need to attend the dance team auditions held every Summer.

Audition Workshop: August 24th, 2019 (\$35)

South Fulton Studios will offer four levels of competition teams in 2019-2020 dance season: (ages 5 & under), (ages 6-8), (ages 9-11), & (ages 12-16). There will be auditions to determine each team. Dancers will be placed based on age and ability.

What are we looking for? Commitment, Attitude & Effort.

SFS Dancers need to show that they are serious about committing themselves to a team and that they will work towards excellence through the *entire* year.

Although we want dancers to be well-rounded and successful in other areas in their lives...a competitive team needs to come as a priority. Please take this into consideration before auditioning and/or committing to a team.
